

2008 Costs – How much to pay

We want our events to be affordable to everyone. The sliding scale can be used as a guide. Our events are ECC's only source of income. The price covers accommodation and food, event expenses, plus a contribution towards ECC's running costs - about £15 per member per year - principally for newsletters, mailings, travel to meetings and insurance. All ECC's administrative work is done by volunteers.

Income	Laurieston	High Close
< £6,999	170	180
£7,000 - £10,999	210	230
£11,000 - £14,999	255	280
£15,000 - £18,999	285	320
£19,000 - £22,999	310	340
£23,000 +	330+	370+
Breakeven	Jun / Aug £255 Sep £265	£280

Only you know your individual circumstances. We take on trust that you will pay what you think is appropriate to your circumstances. The lowest figures are concessionary, subsidised by people who pay higher amounts, and intended for those living at benefit levels.

Please pay more if you can and less if you can't. Don't let the cost of the event or travel to the event be a barrier to attendance. Some help may be available, so if you can't afford the lowest rate please negotiate with the organisers.
